WORK EXPERIENCE

Teacher assistant
www.lewagon.com | 2020 | Berlin, Germany

- Guiding students through challenges, **problem-solving**, and **debugging** the code
- Consolidating my skills in **HTML/CSS/Ruby/Rails/Javascript**

Barista/Media Manager
Father Carpenter| 2018 - 2020 | Berlin, Germany

- Developing a good relationship with customers via social media
- Managing media connections, promotions, and photoshoots

EDUCATION

Le Wagon
Full-Stack Coding bootcamp | 2020

Covered **HTML**, **CSS**, Ruby, Rails, Rational databases & SQL, **Javascript**, and **TDD**. Developed **Airbnb clone** as well as a **fully functional website** as a final project **within two weeks.**

Adam Mickiewicz University in Poznan

Philosophy and Social Communication | 2014 - 2018
English Philology - teaching specialisation | 2013 - 2014

SELECTED PROJECTS

yancesports.com
Prototype created using **Ruby on Rails.** I lead the team of developers working on a technology change to **ReactJS** with **ContextAPI**, **Hooks**, full **internationalization** and **TypeScript**.

Devbook
Prototype of an online social platform connecting Developers. Full-stack project created in **ReactJS**, with **Hooks** and **Redux** in the frontend and **NodeJS** with **Express** and **MongoDB** on the backend.

gregk.dev
Personal portfolio project, designed and developed by myself. Built on **ReactJS**, with the usage of **hooks** to manage the state of components, and applying **"React way" of component hierarchy and data flow**.

Shadr
Responsive web app made using **ReactJS** with **Hooks**, **React Router**, **Material UI**, and **JSS**. With the use of higher-order components, state management, and **unidirectional data flow**.
